POST CARD

This side for the Address.

Mrs. Elizabeth Beale,
Honey Grove,
Pa.

I got home on the 6.30 train Sunday evening. had a most delightful time. They took me to McVeytown to take the train. I will tell you all about it when I get home. I can't say when we will be home this week. Most likely before Saturday. Don't know which train, I will send word later. Don't expect to get a letter from me this week. I got three letters and fourteen cards last week. What do you know about that!

Quite a snow here, some sleighs out today.
